The hassle-free voting experience: A practical guide.

In anticipation of high turnout for the November 8, 2016 Presidential General Election, here are a few strategies to help make the voting process a more convenient experience for all.

VOTE BY MAIL

SIMPLE. Your ballot arrives in your mailbox.

SMART. Make voting decisions and complete your ballot comfortably at home.

SECURE. Seal your completed ballot in the provided envelope, sign it, add postage and return it by mail promptly so it is received well before November 8, 2016. Starting October 31st, you can deposit your sealed ballot at one of 24 convenient drop-off locations around the county. Or, drop it at the Registrar's office now or at any poll on Election Day.

Tip: Mail Ballot Voters who decide to vote at their polling place should BRING their Mail Ballot to be SURRENDERED, then a new ballot will be issued.

Sign up to receive your mail-in ballot. Go to sdvote.com and click on "Vote by Mail."

VOTE ON ELECTION DAY

Mark your selections on the sample ballot in advance so when you go inside the voting booth, you can quickly fill in the official ballot. Be sure to go to your assigned polling location between 7am and 8pm. Look on the back cover of this pamphlet to find your assigned poll.

★ ★ ★ ★ ★ VOTE 2016 ★ ★ ★ ★ ★

VOTING PROVISIONALLY. WHAT IS IT? ONLY USE IT AS A LAST RESORT.

As a registered voter in San Diego County, provisional voting protects your ability to vote. If you can't make it to your poll, you forget to bring your mail ballot to the poll, or your name is not on the voter list, it is your right to receive a provisional ballot. But be prepared to spend some time filling out the form on the provisional envelope. Also, if you vote provisionally outside your assigned voting precinct, you may not be voting on all the contests you are eligible to vote on. Here's how to avoid unnecessary provisional voting on Election Day:

Go to your ASSIGNED polling place: See back cover of this pamphlet.

Surrender Your Mail Ballot: If you decide to vote at your ASSIGNED polling place instead of by mail, you should BRING your mail ballot with you to the polls to be SURRENDERED.

Vote and Return Your Mail Ballot: Mail promptly, or deposit your completed mail ballot at a drop-off location PRIOR to Election Day. See drop-off locations in your packet or online: sdvote.com.

YOUR VOTE. YOUR CHOICE.

Election Day can be a hectic time of last minute decisions. Or with a little preparation, the experience can be convenient and easy. Either way, we will ensure every eligible vote is counted.

There's still time to sign up for your mail-in ballot. Go to sdvote.com and click on "Vote by Mail"

IMPORTANT ELECTION INFORMATION

2- Card Ballot:

In this election you will be issued a ballot that consists of 2 (two) cards containing all the contests for which you are eligible to vote.

Track Your Mail Ballot:

at www.sdvote.com "Check Your Voter Registration."

Poll Location:

If your polling location changes after you receive this pamphlet, we will mail you a "Change of Polling Place Notice" postcard.

REMEMBER TO VOTE!

Polls are open from 7:00 a.m. to 8:00 p.m. on Election Day.

IMPORTANT ELECTION INFORMATION

Voters With Specific Needs

To receive elections materials in Spanish, Filipino, or Vietnamese language please call 858-565-5800 or toll free 800-696-0136. For election materials in Chinese, please call 858-505-7254 or 800-696-0136.

Para solicitar información sobre los servicios de votación disponibles en Español, llame al 858-565-5800 o gratis al 800-696-0136

Tumawag sa 858-565-5800 o 800-696-0136 upang magtanong tungkol sa mga serbisyo sa pagboto na makukuha sa wikang Filipino

Xin gọi số 858-565-5800 hoặc 800-696-0136 để hỏi về các dịch vụ bầu cử bằng tiếng Việt.

您若需要中文的選舉資訊或需提供中文服務，
請致電聯絡 858-505-7254 或 800-696-0136。

Accessible Polling Locations

We strive to ensure that polling locations are accessible to every voter. Let us know how are we doing. Ask for a voter survey at your poll.

Look for a YES or NO below this symbol on the back cover of this pamphlet to tell whether your poll is accessible. If it is not, call 858-565-5800 for alternative voting methods.

You may request to have a ballot brought to an accessible location as near as possible outside the polls. You may also select the assistance of not more than two persons to help you complete your ballot.

Disability Rights California will operate a statewide Election Day Hotline for voters having difficulty voting because of a disability: 1-888-569-7955.

The Registrar of Voters Office has a TDD (Telecommunications Device for the Deaf). For assistance, please call 858-694-3441.

Conservatorships

People in conservatorships have a right to vote if they can express a desire to vote. Anyone previously disqualified can ask for reinstatement by writing a letter to the court. For more information, go to: www.spectruminstitute.org/restore-voting-rights

Touchscreen Voting

A touchscreen will be available at each polling location. Each touchscreen is equipped with a headset and a telephone-style keypad for audio-based voting and is available in the required languages listed above.

VOTING INSTRUCTIONS

1. Check In

Receive ballot, pen, and secrecy sleeve from poll worker.

2. Important

Make your vote count. **DO NOT** use pencil or red ink. **DO NOT** initial your ballot or make any identifying marks.

3. Vote

Completely fill in the oval. **DO NOT** circle or mark oval with an "X" or a "✓".

CORRECT

INCORRECT

INCORRECT

4. Complete Ballot

Vote the ballot. To vote for a qualified write-in candidate, write in the name on the blank line and fill in the oval.

5. Review Ballot

Check your ballot. If you vote for more than the number of choices allowed on a contest, your vote(s) on that contest, by law, cannot be counted.

6. If Any Errors

If you make a mistake, ask for a replacement ballot. **DO NOT** attempt to correct it.

7. Keep it Secret

Place your completed ballot into the secrecy sleeve.

8. Cast Ballot

Place ballot in the secrecy sleeve prior to dropping in the ballot box.

Poll workers are available to help you if you have questions or need assistance.
For more information, please visit www.sdvote.com or call 858.565.5800.

Your Choices Do Make A Difference Check Them Carefully

**Don't
vote for

TOUCHSCREEN VOTING INSTRUCTIONS

1. INSERT VOTER CARD

Insert Voter Card received from Poll Worker.

2. SELECT LANGUAGE

TOUCH THE BOX next to the language of your choice. Then touch **START**.

3. ADJUST SETTINGS

Adjust **TEXT** and **CONTRAST** to your preference and review instructions. Then touch **NEXT**.

4. MAKE SELECTION

TOUCH THE BOX next to the "YES" or "NO" on the measure.

5. REVIEW SELECTION

A summary of your choice will be displayed. Review your selection. To make changes, touch the **BACK** button or measure. After changing selection, touch **SUMMARY**. Then touch **PRINT BALLOT** to generate a paper copy.

6. VIEW PAPER COPY

Review to confirm your selection. The paper copy is not a receipt; it is kept and stored as a paper record of your vote.

7. CAST BALLOT

Touch **CAST BALLOT** to record your vote or touch **REJECT BALLOT** to return to summary screen to make changes.

8. REMOVE VOTER CARD

Once you **CAST BALLOT**, return Voter Card to Poll Worker. You have now completed voting.

OFFICIAL BALLOT
SAN DIEGO COUNTY, CALIFORNIA
PRESIDENTIAL GENERAL ELECTION
NOVEMBER 8, 2016

**MEASURES SUBMITTED
TO THE VOTERS**

STATE

PROP 51 SCHOOL BONDS. FUNDING FOR K-12 SCHOOL AND COMMUNITY COLLEGE FACILITIES. INITIATIVE STATUTE. Authorizes \$9 billion in general obligation bonds for new construction and modernization of K-12 public school facilities; charter schools and vocational education facilities; and California Community Colleges facilities. Fiscal Impact: State costs of about \$17.6 billion to pay off both the principal (\$9 billion) and interest (\$8.6 billion) on the bonds. Payments of about \$500 million per year for 35 years.

BONDS - YES

BONDS - NO

PROP 52 MEDI-CAL HOSPITAL FEE PROGRAM. INITIATIVE CONSTITUTIONAL AMENDMENT AND STATUTE. Extends indefinitely an existing statute that imposes fees on hospitals to fund Medi-Cal health care services, care for uninsured patients, and children's health coverage. Fiscal Impact: Uncertain fiscal effect, ranging from relatively little impact to annual state General Fund savings of around \$1 billion and increased funding for public hospitals in the low hundreds of millions of dollars annually.

YES

NO

STATE

PROP 53 REVENUE BONDS. STATEWIDE VOTER APPROVAL. INITIATIVE CONSTITUTIONAL AMENDMENT. Requires statewide voter approval before any revenue bonds can be issued or sold by the state for certain projects if the bond amount exceeds \$2 billion. Fiscal Impact: State and local fiscal effects are unknown and would depend on which projects are affected by the measure and what actions government agencies and voters take in response to the measure's voting requirement.

BONDS - YES

BONDS - NO

PROP 54 LEGISLATURE. LEGISLATION AND PROCEEDINGS. INITIATIVE CONSTITUTIONAL AMENDMENT AND STATUTE. Prohibits Legislature from passing any bill unless published on Internet for 72 hours before vote. Requires Legislature to record its proceedings and post on Internet. Authorizes use of recordings. Fiscal Impact: One-time costs of \$1 million to \$2 million and ongoing costs of about \$1 million annually to record legislative meetings and make videos of those meetings available on the Internet.

YES

NO

OFFICIAL BALLOT
SAN DIEGO COUNTY, CALIFORNIA
PRESIDENTIAL GENERAL ELECTION
NOVEMBER 8, 2016

STATE

PROP 55 TAX EXTENSION TO FUND EDUCATION AND HEALTHCARE. INITIATIVE CONSTITUTIONAL AMENDMENT. Extends by twelve years the temporary personal income tax increases enacted in 2012 on earnings over \$250,000, with revenues allocated to K-12 schools, California Community Colleges, and, in certain years, healthcare. Fiscal Impact: Increased state revenues-\$4 billion to \$9 billion annually from 2019-2030- depending on economy and stock market. Increased funding for schools, community colleges, health care for low-income people, budget reserves, and debt payments.

YES

☐

NO

☐

STATE

PROP 57 CRIMINAL SENTENCES, PAROLE, JUVENILE CRIMINAL PROCEEDINGS AND SENTENCING. INITIATIVE CONSTITUTIONAL AMENDMENT AND STATUTE. Allows parole consideration for nonviolent felons. Authorizes sentence credits for rehabilitation, good behavior, and education. Provides juvenile court judge decides whether juvenile will be prosecuted as adult. Fiscal Impact: Net state savings likely in the tens of millions of dollars annually, depending on implementation. Net county costs of likely a few million dollars annually.

YES

☐

NO

☐

PROP 56 CIGARETTE TAX TO FUND HEALTHCARE, TOBACCO USE PREVENTION, RESEARCH, AND LAW ENFORCEMENT. INITIATIVE CONSTITUTIONAL AMENDMENT AND STATUTE. Increases cigarette tax by \$2.00 per pack, with equivalent increase on other tobacco products and electronic cigarettes containing nicotine. Fiscal Impact: Additional net state revenue of \$1 billion to \$1.4 billion in 2017-18, with potentially lower revenues in future years. Revenues would be used primarily to augment spending on health care for low-income Californians.

YES

☐

NO

☐

PROP 58 ENGLISH PROFICIENCY. MULTILINGUAL EDUCATION. INITIATIVE STATUTE. Preserves requirement that public schools ensure students obtain English language proficiency. Requires school districts to solicit parent/community input in developing language acquisition programs. Requires instruction to ensure English acquisition as rapidly and effectively as possible. Authorizes school districts to establish dual-language immersion programs for both native and non-native English speakers. Fiscal Impact: No notable fiscal effect on school districts or state government.

YES

☐

NO

☐

OFFICIAL BALLOT
SAN DIEGO COUNTY, CALIFORNIA
PRESIDENTIAL GENERAL ELECTION
NOVEMBER 8, 2016

STATE

PROP 59 CORPORATIONS. POLITICAL SPENDING. FEDERAL CONSTITUTIONAL PROTECTIONS. LEGISLATIVE ADVISORY QUESTION. Asks whether California's elected officials should use their authority to propose and ratify an amendment to the federal Constitution overturning the United States Supreme Court decision in *Citizens United v. Federal Election Commission*. *Citizens United* ruled that laws placing certain limits on political spending by corporations and unions are unconstitutional. Fiscal Impact: No direct fiscal effect on state or local governments.

Shall California's elected officials use all of their constitutional authority, including, but not limited to, proposing and ratifying one or more amendments to the United States Constitution, to overturn *Citizens United v. Federal Election Commission* (2010) 558 U.S. 310, and other applicable judicial precedents, to allow the full regulation or limitation of campaign contributions and spending, to ensure that all citizens, regardless of wealth, may express their views to one another, and to make clear that corporations should not have the same constitutional rights as human beings?

YES

NO

STATE

PROP 60 ADULT FILMS. CONDOMS. HEALTH REQUIREMENTS. INITIATIVE STATUTE. Requires adult film performers to use condoms during filming of sexual intercourse. Requires producers to pay for performer vaccinations, testing, and medical examinations. Requires producers to post condom requirement at film sites. Fiscal Impact: Likely reduction of state and local tax revenues of several million dollars annually. Increased state spending that could exceed \$1 million annually on regulation, partially offset by new fees.

YES

NO

PROP 61 STATE PRESCRIPTION DRUG PURCHASES. PRICING STANDARDS. INITIATIVE STATUTE. Prohibits state from buying any prescription drug from a drug manufacturer at price over lowest price paid for the drug by United States Department of Veterans Affairs. Exempts managed care programs funded through Medi-Cal. Fiscal Impact: Potential for state savings of an unknown amount depending on (1) how the measure's implementation challenges are addressed and (2) the responses of drug manufacturers regarding the provision and pricing of their drugs.

YES

NO

PRESIDENTIAL GENERAL ELECTION
NOVEMBER 8, 2016

STATE

PROP 62 DEATH PENALTY. INITIATIVE STATUTE.

Repeals death penalty and replaces it with life imprisonment without possibility of parole. Applies retroactively to existing death sentences. Increases the portion of life inmates' wages that may be applied to victim restitution. Fiscal Impact: Net ongoing reduction in state and county criminal justice costs of around \$150 million annually within a few years, although the impact could vary by tens of millions of dollars depending on various factors.

YES

☐

NO

☐

PROP 63 FIREARMS. AMMUNITION SALES.

INITIATIVE STATUTE. Requires background check and Department of Justice authorization to purchase ammunition. Prohibits possession of large capacity ammunition magazines. Establishes procedures for enforcing laws prohibiting firearm possession by specified persons. Requires Department of Justice's participation in federal National Instant Criminal Background Check System. Fiscal Impact: Increased state and local court and law enforcement costs, potentially in the tens of millions of dollars annually, related to a new court process for removing firearms from prohibited persons after they are convicted.

YES

☐

NO

☐

**MEASURES SUBMITTED
TO THE VOTERS**

STATE

PROP 64 MARIJUANA LEGALIZATION.

INITIATIVE STATUTE. Legalizes marijuana under state law, for use by adults 21 or older. Imposes state taxes on sales and cultivation. Provides for industry licensing and establishes standards for marijuana products. Allows local regulation and taxation. Fiscal Impact: Additional tax revenues ranging from high hundreds of millions of dollars to over \$1 billion annually, mostly dedicated to specific purposes. Reduced criminal justice costs of tens of millions of dollars annually.

YES

☐

NO

☐

PROP 65 CARRYOUT BAGS. CHARGES.

INITIATIVE STATUTE. Redirects money collected by grocery and certain other retail stores through mandated sale of carryout bags. Requires stores to deposit bag sale proceeds into a special fund to support specified environmental projects. Fiscal Impact: Potential state revenue of several tens of millions of dollars annually under certain circumstances, with the monies used to support certain environmental programs.

STATE

PROP 66 DEATH PENALTY. PROCEDURES.

INITIATIVE STATUTE. Changes procedures governing state court challenges to death sentences. Designates superior court for initial petitions and limits successive petitions. Requires appointed attorneys who take noncapital appeals to accept death penalty appeals. Exempts prison officials from existing regulation process for developing execution methods. Fiscal Impact: Unknown ongoing impact on state court costs for processing legal challenges to death sentences. Potential prison savings in the tens of millions of dollars annually.

YES

☐

NO

☐

PROP 67 BAN ON SINGLE-USE PLASTIC BAGS.

REFERENDUM. A "Yes" vote approves, and a "No" vote rejects, a statute that prohibits grocery and other stores from providing customers single-use plastic or paper carryout bags but permits sale of recycled paper bags and reusable bags. Fiscal Impact: Relatively small fiscal effects on state and local governments, including a minor increase in state administrative costs and possible minor local government savings from reduced litter and waste management costs.

and

CANDIDATE STATEMENTS

and

LOCAL BALLOT MEASURES, TAX RATE STATEMENTS, ANALYSES, ARGUMENTS, REBUTTALS AND ORDINANCES

(whichever are applicable to your ballot)

STATE PROPOSITIONS

A SEPARATE CALIFORNIA STATE PAMPHLET (IN 8½ x 11 NEWSPRINT) IS PROVIDED BY THE SECRETARY OF STATE AND CONTAINS INFORMATION CONCERNING THE STATE PROPOSITIONS.

ARGUMENTS AND REBUTTALS

Arguments in support of or in opposition to the proposed measures are the opinions of the authors and have not been checked for accuracy by any official agency.

CANDIDATE STATEMENTS

Senate and Assembly candidates who accepted voluntary spending limits, as well as all candidates for local nonpartisan offices had the opportunity to submit a statement. The following pages may not contain a statement for every candidate, as some candidates chose not to submit one. The statements are the opinions of the authors and have not been checked for accuracy by any official agency. Candidate statement costs are paid by the candidate or, in some cases, by the jurisdiction. (A complete list of candidates appears on the "SAMPLE" version of the Official Ballot in this pamphlet.)

POLITICAL PARTY ENDORSEMENT PAGE

When voters adopted Proposition 14, the State Legislature required elections officials to print a list of candidates endorsed by any qualified political party which submitted its list to the elections official by August 17, 2016. The following parties submitted timely endorsements in these contests. The candidates' names are listed in the order of the Secretary of State's random alphabet drawing. Unchecked boxes indicate no endorsement was received.

**UNITED STATES HOUSE OF REPRESENTATIVES
50th District**

**DUNCAN HUNTER
U.S. Representative**

I am honored to serve you in the U.S. House of Representatives.

American families and workers are impacted everyday by the decisions that are made in Washington, DC. For the last seven years, I have stood on the side of limiting government influence, empowering workers, and allowing families to keep more of their hard-earned money.

With your support, I will continue to promote and defend the best interests of our community and the nation.

As a Marine Corps veteran, I served two tours in Iraq and a third in Afghanistan, and this experience continues to inform my perspective on national security. I firmly believe in the principle of peace through strength, and I recognize America's role as a world leader. I am also an uncompromising defender of our troops, their families and our veterans.

Economically, we also face strong competition on the world stage, but the innovation of the American entrepreneur, the spirit and work ethic of the American worker, and the power of the American economy continue to provide us every advantage. I remain committed to strengthening our workforce and restoring manufacturing jobs. I also oppose borrowing one more dollar from China to finance our debt or new government spending.

Other priorities of mine include: securing our borders and enforcing existing laws; achieving energy independence; eliminating job-threatening regulations and taxes; emphasizing education for a global economy; and upholding core values.

I ask for your support. Together, we will continue the fight for the ideals that make America so exceptional.

**UNITED STATES HOUSE OF REPRESENTATIVES
50th District**

**PATRICK MALLOY
Local Businessman/Real Estate Specialist**

AGE: 49

Clearly, the do-nothing Congress has abandoned the middle class. Elites only seem interested in promoting their own moneyed interests. Career politicians have failed us.

Patrick Malloy is running for Congress because of this neglect and the arrogance of power in Washington. As a realtor, Patrick knows how to negotiate and bring two opposing sides together. As a prudent fiscal conservative, Patrick knows the value of hard work and careful stewardship of resources. He is not a career politician.

Malloy wholeheartedly supports: 1) providing veterans who served this country with a quality education and career placement on their return to civilian life; 2) creating better jobs with better paychecks; 3) repairing crumbling local infrastructure, especially transportation bottlenecks; 4) placing dollars where they belong, not on projects the military does not want or on foreign projects that America's enemies destroy; 5) safeguarding Social Security; and 6) refinancing college debt to a lower interest rate.

We need a representative in Congress who will listen. Patrick Malloy will give you a voice and honor the independent-minded citizens of this district.

Vote Patrick Malloy. Honesty, integrity and solutions...for a change.

760-809-5651

MARIE WALDRON

Business Owner / Assemblymember

I Support: Strong Public Safety policies keeping our communities safe, Job Creation for working families and businesses, Reliable Water for our economy, families and farms, and Strong Education for success

I Mean Business and Jobs. A small businessowner for 22 years, I understand the impact of unfair government regulations, taxes and fees. That is why I have a "A" Rating by the Howard Jarvis Taxpayers Association.

Education dollars should be spent in the classroom to help teachers do their job and students succeed – not on bureaucrats. School choice and competition benefit our students.

Proven Record: As your State Assemblymember and a former city councilmember in Escondido, I support a balanced budget, recreation programs and water affordability. Water storage, desalinization and reclamation are critical for a sustainable, clean water supply.

As a parent, I'm concerned about our childrens' future. I stand to protect our traditional family values, individual liberties and our veterans for benefits, housing and healthcare. I have been a strong advocate in Sacramento for creating access to innovative health solutions that are affordable for our residents. Keeping our communities safe in this uncertain world is priority one and I support our public safety personnel and the requirement that they have the tools they need.

Active over 25 years in our community, supporting many local civic organizations, including the Boy Scouts, Little League and YMCA. My husband and I work to create the successful "Cruisin' Grand" hotrod event in downtown Escondido for the past 17 years.

COUNTY OF SAN DIEGO
Board of Education – District No. 5

RICK SHEA
Vice-President, San Diego County Board of Education

Primary Election Winner!

Voters in June recognized Rick has dedicated his educational career to helping students succeed, especially those most at-risk. Rick's background, qualifications, and commitment to student success are what make him the best choice for the San Diego County Board of Education!

Rick has served as Head Teacher for the Juvenile Court Schools, and Special Assistant to the San Diego County Superintendent of Schools.

Rick also served as a Probation Officer, working closely with school principals to get teenagers to complete their education.

Rick believes all students, parents, taxpayers, and the community, benefit from a future oriented education that inspires lifelong learning, and preparation for college transfer or entry into the workforce.

Rick is fiscally responsible, keeping children first, and politics away from classrooms.

Rick has also served his community outside the educational system as Mayor and Councilmember of Encinitas, Boardmember of Encinitas Fire Protection District, and North County Transit District.

Rick's endorsements for this non-partisan office include all San Diego County Board of Education members, Democrats, Republicans, Independents, Hon. James Milliken, Presiding Judge Juvenile Court (ret.), San Diego County Teacher of the Year and California Teacher of the Year Doug Green, parents, teachers, community leaders, and locally elected schoolboard members.

Please Vote Rick Shea for San Diego County Board of Education!

www.rickshea4CountyBoardofEd.com

COUNTY OF SAN DIEGO
Board of Education – District No. 5

MARK WYLAND
Education Foundation President/ College Trustee

The County Board of Education needs dynamic new leadership to accomplish several important goals:

Prepare Students For College Or The Workforce, including practical financial education;

Technology And Computer Skills: critical to succeed in today's economy;

Vocational Education: to prepare high school graduates who choose to enter the workforce;

Increase Funding For Science And Technology and Writing Skills;

Fiscal Accountability: Total transparency in spending, to ensure that funding gets to classrooms, not more administration;

Correct Unfair State Funding: North County schools receive less state funding than San Diego City schools. Mark Wyland will fight for a fair share of taxpayer funds for North County schools.

Professional: As a business owner for over 20 years, Mark Wyland created jobs for hundreds of people. As a State Senator, Wyland authored bills to provide greater oversight of bond programs to prevent fiscal mismanagement. Wyland also authored bills to improve science and technology education, literacy, and civic education.

Education: Pomona College, B.A.; Fulbright Scholar; Columbia University, M.A.; College Trustee; Founder & President, Wyland Institute for Education.

For more information: www.wylandforschoolboard.com/

PALOMAR COMMUNITY COLLEGE DISTRICT
Governing Board Member

NINA DEERFIELD
Educator/ Publisher/ Editor

AGE: 64

Nina Deerfield is a distinguished local educator whose commitments to high standards have reached from early childhood education through adult education. As publisher and editor of a north county community newspaper, Deerfield knows the Palomar College district exceptionally well. She is positioned to hit the ground running as a member of the governing board.

Nina's priorities include: 1) assuring that the north county economy is fueled by a highly trained and educated work force; 2) guaranteeing affordable access to all students including for those bound for four-year colleges and universities; 3) helping veterans re-enter the civilian work force; 4) making sure that crucial needs, such as health care skills, are emphasized in the curriculum.

Nina Deerfield has been recognized throughout the region as a highly effective civic advocate and is endorsed by teachers. Please vote for Nina Deerfield, a trusted and hard-working member of our north county community.

PALOMAR COMMUNITY COLLEGE DISTRICT
Governing Board Member

ROSE MARIE DISHMAN
Educational Executive

Education Executive with over 35 years experience; committed to ethical, professional, and efficient post-secondary education. Collegial leadership style and proven track record of fiscal efficiency and educational excellence. Focus on student success/achievement for students from diverse backgrounds

Formerly, President & Regional Vice-President of DeVry University / Professor & Dean and Acting Provost at United States International University / Fulbright Hayes Research Scholar.

Ph.D. In Physics from the University of California, Riverside, MBA from San Diego State University.

Elected in 2008 for 4 year term on Palomar's Governing Board. Experienced and knowledgeable of the voter-approved \$694M facilities upgrade bond that has enabled extraordinary expansion /renovation of Palomar Main Campus and Escondido. Rancho Bernardo expansion is underway with Fallbrook to follow.

Member of Palomar President's Associates, American Society of Civil Engineers (Life), Conservative Order of Good Government (COGG), Rancho Bernardo Newcomers Social Club, American Association of University Women.

Husband David and I have lived in Poway for 29 years.

I have the needed experience to serve on the Governing Board of Palomar Community College as it transitions with new leadership.

PALOMAR COMMUNITY COLLEGE DISTRICT
Governing Board Member

TIM FILLINGER
Engineer

AGE: 52

Preparing our students with the opportunities to succeed in an ever-expanding and confusing world is not only critical, it is my passion.

As a computer engineer with 30 years of experience who has helped our military create state-of-the-art computer systems, I understand how to build and accomplish things.

As a graduate of a California Community College, I know how valuable an affordable educational foundation is to success.

As a father and grandfather, I am personally invested in the future of our families.

I work in a business environment. As a hiring manager, I review resumes and know what skills our students need in today's marketplace. I will work tirelessly to partner our students with local businesses, to the benefit of our community.

Quality education should be affordable. As a conservative, I will treat our district as the jewel it is and guarantee our tax dollars are spent appropriately. Partnership between our faculty, students and community will equal success!

I've worked in volunteer youth organizations for over 20 years, and I am privileged to participate in the building of entrepreneurial businesses with young people, providing leadership and mentoring.

Now, I would like your vote to serve on the Palomar Community College District Board.

PALOMAR COMMUNITY COLLEGE DISTRICT
Governing Board Member

JOHN J. HALCON, Ph.D.
Board Member, Palomar College/Professor, CSU San Marcos/Veteran,
United States Air Force

Dr. John Halcon holds a Ph.D. in Education from the UC Santa Barbara. He is a Professor of Education at CSUSM and has demonstrated excellence in teaching tomorrow's teachers.

Since being elected to the Board in 2012 Dr. Halcon has expanded the College Veteran's Center so veterans receive the expert guidance they need to succeed. As a war veteran and beneficiary of the GI Bill he knows the importance of educating and training our returning veterans.

Dr. Halcon understands the critical role Palomar College plays in serving student needs. He has helped create agreements with UCSD, CSUSM, and SDSU so that our students have guaranteed transfer opportunities.

He has overseen the modernization of the Career and Technical Education facilities where students receive state of the art training and certification in industries critical to rebuilding our nation's economy.

He has hired a new president and improved campus life with the building of the new child development center and sports fields.

Dr. Halcon is proud of the growth and changes happening at Palomar College. He has been endorsed by College Teachers, Students, and Staff. Please elect Dr. Halcon to a second term.

PALOMAR COMMUNITY COLLEGE DISTRICT
Governing Board Member

NANCY ANN HENSCH
Trustee, Palomar Community College District

Nancy Ann Hensch has served Palomar College with distinction during the past 3 1/2 years. As a fiscal conservative, she kept a tight rein on the budget and placed taxpayer dollars in the classroom for maximum student benefit. She fought to keep student fees low and advocated for a debt-free college education for Palomar students.

As a lifelong educator, Nancy Ann has a solid knowledge of all levels of education. She has worked with special needs students as well as college students. Recently, she received a Teacher of the Year award.

Nancy Ann wants to work for you. She supports: 1) priority enrollment for all veterans, 2) an expansion of academic and technical programs to meet veterans' needs, and 3) career placement in jobs paying middle class wages.

Other priorities include: 4) guaranteed transfer to colleges/universities, 5) increased technology and trade apprenticeships that lead to solid paying jobs, and 6) the expansion of medical training for future nurses, paramedics, dental assistants, and biotech students.

Nancy Ann Hensch will reliably represent you. She brings high ethical standards and professional management of taxpayer dollars. Endorsed by teachers, nurses, police officers, and firefighters. Vote Nancy Ann Hensch for Palomar College Governing Board. <https://www.palomar.edu/gb/>

BONSALL UNIFIED SCHOOL DISTRICT
Governing Board Member

ERIN MARIE ENGLISH, Ed. D.
Incumbent/Educator

It is with great dedication and enthusiasm that I respectfully share my interest in serving the Bonsall community as a trustee on the Bonsall Unified School Board for a second term. Two years ago, I was elected as a new board member when Bonsall transitioned from an elementary district to a unified district. Last year, I was honored to have been voted the " New Board Member of the Year " for San Diego County.

Over the past few years I had the pleasure of participating in presentations and activities that students are involved in. These experiences solidified my belief that Bonsall Unified is an amazing place for children to learn and grow.

Through my experience serving on nonprofit committees and councils over the last 27 years, I have gained insight and a deep understanding of the challenges and opportunities that school districts grapple with on an ongoing basis. Moreover, I believe that in order for schools to remain relevant and vital, they need community support to thrive.

My interest in being elected again is to continue working with the community and staff of Bonsall doing the good work that is necessary for a first class education for our children.

BONSALL UNIFIED SCHOOL DISTRICT
Governing Board Member

RICHARD OLSON
Incumbent

As the longest continuous serving Member of the Bonsall School Board of Trustees I am once again asking for your vote to allow me the privilege of serving one more term in office. With the introduction of the new Bonsall High School and the prospect of additional Middle Schools over the next four years, I would ask you to review the record of the current Board and based on that record, allow me to remain on the Board to continue the successful working relationship that has been created. My years of service in Bonsall have taught me that to be a good Board Member one must be a team player, a good listener and one who does not attempt to micro-manage, but hires the right people to do their job and lets them do it. I thank you in advance for your continued support

BONSALL UNIFIED SCHOOL DISTRICT
Governing Board Member

RICHARD "BUCK" SMITH
Retired

AGE: 65

As a former Board Member of the Bonsall Unified School District I have taken interest in and attended graduations, ceremonies, and plays at every school in your district. Once again I am asking for your vote for the honor and privilege of serving your family again. I have over Thirty years of teaching and administrative experience in education to draw upon to govern and guide your school district. Serving as Senior Director at the San Diego County Office of Education I successfully managed and had oversight for Career Technical Education programs for all High Schools within San Diego County. Also, I have served as Superintendent for a Joint Powers District and worked as Principal in a Pre through eighth grade school in North San Diego County. All Programs I managed were well within Budget constraints. The majority of my experience is in secondary education which I know will be an asset as the community moves forward with planning and building our new high school. I will draw on this wealth of experience to govern and vote on your school district's issues based on facts and merits presented, not personal or political motivations. Allow me to once again serve you and your community. Thank you in advance for your vote.

FALLBROOK COMMUNITY PLANNING GROUP
Planning Group Member

RICHARD BILLBURG
Civil Servant/Service, State of California

I have been a resident of Fallbrook for over a Decade.

I have concern for the direction of Fallbrook's open spaces and a respect for Fallbrook's long-time residents. I wish to help maintain the community character with regard for the traditional feeling of Fallbrook's Main Street appeal.

I am currently serving as an appointed committee member of the Design and Review Committee and the Parks and Recreation Committee for the Fallbrook Community Planning Group, and have a willingness to listen to and work with the community to reach equitable goals.

FALLBROOK COMMUNITY PLANNING GROUP
Planning Group Member

LEE J. DE MEO
Incumbent/Real Estate Agent

Seven years ago, My wife Jennifer and I moved into this wonderful community called Fallbrook. We found it, with its rural charm, friendly residents and small-town America feel, a beautiful place to live. As I have grown concerned for America and in the directions it is now headed, over the last 6 years I have become involved to do something about it. As a conservative who believes in the US Constitution, I believe in Property Rights. There are now large elements and laws of the Federal, State and local government that are now forcing upon communities, including Fallbrook, principles of development and growth that will restrict our citizen's freedom and those of our citizen's children. These bad principles, known as "Smart Growth" and "Sustainable Development", will tell you, the members of the Fallbrook Community, what your community will be like and must be in the future. I believe that it is for Fallbrook and its citizens who should decide that. As your Incumbent Elected Member of the Fallbrook Planning Group, I have stood and will stand up for your property rights and your rights for Fallbrook to stay and be the community we so love and desire.

FALLBROOK COMMUNITY PLANNING GROUP
Planning Group Member

DONNA T. GEBHART
Business Owner/Incumbent

If re-elected I will continue to work to keep Fallbrook a rural atmosphere. I have worked as chair of the Fallbrook Trails Council for 17 years & will continue to try to make Fallbrook a great recreational destination for our residents and visitors. I also am a business owner in town and will continue to try to improve our community for businesses and residents as well.

FALLBROOK COMMUNITY PLANNING GROUP
Planning Group Member

ROY MOOSA
Businessman/Resident

AGE: 63

I Live in; I work in; and I invest in; Fallbrook.

During the last eight years I have been on the Planning Group and a member of the Public Facilities, Circulation, Land Use and Design Review Committees.

I am also been involved in the Fallbrook Village Association, which manages the Village Square and sponsors Fallbrook Summer Nights, the Fallbrook Historical Society, which preserves Fallbrook's heritage, the Fallbrook Revitalization Committee, which strives to improve the town, and the Fallbrook Vintage Car Club, which sponsors the annual Fallbrook Car Show.

What guides me in all these endeavors is the drive to help the community be the most that it can be; a place to call home, a place to raise a family, a place to grow, and a place to be proud of.

Thank you for your support.

COUNTY OF SAN DIEGO

(This Measure will appear on the ballot in the following form.)

MEASURE A

SAN DIEGO COUNTY ROAD REPAIR, TRANSIT, TRAFFIC RELIEF, SAFETY AND WATER QUALITY MEASURE

Shall an ordinance be adopted to: repair roads, deteriorating bridges; relieve congestion; provide every community funds for pothole/street repairs; expand public transit, including improved services for seniors, disabled, students, veterans; reduce polluted runoff; preserve open space to protect water quality/reduce wildfires by enacting, with independent oversight/audits, a 40-year, half-cent local sales tax (\$308 million annually) that Sacramento cannot take away?

This measure requires approval by two-thirds of the voters voting on the measure.

COUNTY COUNSEL IMPARTIAL ANALYSIS

The San Diego Association of Governments (SANDAG), acting as the San Diego County Regional Transportation Commission (Commission), has placed this measure on the ballot. This measure would:

1. Authorize the Commission to impose an additional transactions and use tax of $\frac{1}{2}$ percent in San Diego County for a period not to exceed forty years.
2. Authorize the Commission to issue bonds payable from the proceeds of the tax to accelerate the construction of public infrastructure improvements.
3. Require all revenues to be deposited into a special fund and limit the use of such revenues to public improvements that qualify as eligible uses under state law, including:
 - Local Infrastructure Projects: transit youth passes, increased transit services, habitat, roads, sidewalks, beach sand replenishment, greenhouse gas reduction, climate action plans, and watershed management.
 - Regional Corridors Projects: new and expanded bus, train and Trolley services and facilities, improved intermodal centers at the airport and border, highway express lanes, carpool lanes, and carpool connectors, and highways and general purpose lane connectors.
 - Active Transportation Projects: bikeway facilities and connectivity improvements, pedestrian and walkable community projects, bicycle and pedestrian safety projects and programs, pedestrian grade separation projects, and traffic calming projects.
 - Open Space Funding: implementation of the regional share of habitat conservation plans, including acquiring, managing, and monitoring conservation lands.

COUNTY COUNSEL IMPARTIAL ANALYSIS (CONTINUED)

- Transit Operator Funding: funding for the region's transit operators for operation of new, expanded, or enhanced services included in the Ordinance.
 - Grants Program: local rail and road grade separation projects, synchronized traffic signal projects on local arterial roads, and specialized transportation grants to address the needs of people who are seniors, students, disabled, low-income, and veterans in need of transportation services, or implement innovative projects/programs that provide better access to public transit and support smart growth and transit oriented development.
4. Require the Commission to make every effort to combine revenues with federal, state, local and private funding to maximize the amount of money available in the region for infrastructure.
5. With the exception of certain sections, which require a vote of the electors of San Diego County to amend, the ordinance may only be amended with a favorable vote of at least two-thirds of the SANDAG Board of Directors.
6. Require local agencies to maintain the same level of discretionary funding, including local agency general funds, expended for streets and roads, transit, and specialized transportation.
7. Require that SANDAG use its best efforts to complete the projects in the Priority Corridors Program within 15 years. These include highway improvements in the SR 78, I-5, SR 52, SR 67, I-8, and SR/94/SR125 corridors; increased Trolley service and capacity; COASTER commuter rail improvements; and new Trolley and Rapid bus services.
8. Establish a goal of using 80% to 100% local workers on capital projects funded by the ordinance.
9. Require that skilled and trained workers be used and responsible bidders be hired to carry out capital projects constructed by SANDAG.
10. Require continuation and expansion of the Independent Taxpayer Oversight Committee (ITOC), which will oversee the financial integrity and performance of the program.

If passed, the measure shall become effective on November 9, 2016, and operative on April 1, 2017.

The above statement is an impartial analysis of Measure A. A copy of the measure is also available for viewing at the Registrar of Voters website at www.sdvote.com/en/measure-a.pdf. If you desire a copy of the measure, please call the Registrar of Voter's office at 858-505-7260 and a copy will be mailed at no cost to you. (NOTE: Web address is in all lower case letters.)

ARGUMENT IN FAVOR OF MEASURE A

San Diego County Road Repair, Transit, Traffic Relief & Water Quality Measure

Reverse decades of neglect to San Diego's infrastructure by providing funding for:

- Making urgent, critical repairs to roads, bridges & overpasses.
- Synchronizing traffic lights/upgrading freeways to relieve congestion.
- Expanding transit for seniors, students, disabled and veterans.
- Preserving open space to protect habitat/watersheds.
- Improving brush management to reduce wildfires.
- Improving water quality by treating polluted runoff.
- Funding pothole/street repairs for every community.

Local Nurses, Fire Fighters & First Responders: Critical Safety Repairs Save Lives.

Badly needed repairs to streets, bridges, interchanges/overpasses make roads safer, reduce response times, and get emergency crews to accidents/disasters faster to save lives.

Paramedics, 911 operators, police and sheriff's deputies support Measure A.

Prevent Devastating Wildfires/Protect Water Quality.

Preserve 25,000-plus acres of open space. Protect endangered habitat/watershed. Clean polluted runoff.

Fire chiefs: active brush removal/open space management helps prevent wildfires.

Strict Accountability/Transparency.

Every project online, detailing exactly what Measure A does in your community.

Annual independent audits posted online.

All funds, by law, must be spent locally – **funding Sacramento CANNOT take away.**

A Citizens Oversight Committee will ensure every dollar is spent as promised.

Relieve Traffic Congestion/Reduce Air Pollution.

San Diego drivers average 42 hours/year stuck in traffic. Idling cars and trucks worsen air pollution. Measure A synchronizes traffic lights, upgrades congested freeways and expands transit to reduce pollution/relieve traffic congestion.

A Sustainable, Viable Future.

Investing in infrastructure creates tens of thousands of good-paying jobs. Repairing/upgrading roads and freeways insures our economic vitality. Preserving open space, protecting water quality, and expanding transit protects our environment.

Measure A will protect and enhance San Diego's Quality of Life for our children and their children.

YES on Measure A

Repair San Diego with Funding Sacramento CANNOT Take Away.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE A

No Real Accountability Over the Bureaucrats

Despite a voter-friendly name, the deceptively-titled 'Independent Oversight Committee' is nothing more than an insiders' club. The media has exposed the committee's chairman as a registered lobbyist for the construction industry which is making millions on these projects. He lobbies the very government officials he is supposed to oversee! Worse yet, in 2010 SANDAG reduced the conflict of interest rules governing this so-called committee.

A Tax that Hurts Working Families

Many working families are struggling in this high-tax state. This \$18 Billion tax will be paid by our children and grandchildren and last for 40 years! Twelve years ago voters passed a 40-year sales tax increase for SANDAG's transportation improvements but commutes have not gotten any better. With billions and billions of dollars in proposed tax increases on this year's ballot already, send a message and vote NO on Measure A!

A Transportation Tax that Doesn't Pay for Transportation

Read the fine print. Bureaucrats expanded the definition of "Local Infrastructure Projects" (\$4.3 Billion) to include: incentives for infill developers, bike paths, sidewalks, streetlights, beach sand replenishment, greenhouse gas reduction, monitoring open space and other non-transportation pet projects. There is \$2.54 Billion for bike lanes and open space but only \$0.6 Billion for normal highway lane expansions.

No Traffic Congestion Relief

Measure A documents literally state *"travel times to work remain flat for drivers alone and improve for transit uses."* So while over ¾ of commuters travel alone, only 3.4% of this tax is going to help them. Additionally, over \$7.5 Billion is earmarked for mass transit despite the fact only 2.7% of commuters use it – and the percentage of transit riders has decreased since 2005.

Bi-partisan Opposition

Both the Republican Party and the Democrat party oppose Measure A.

ARGUMENT AGAINST MEASURE A

Measure A is a deceptive and harmful 40-year sales tax increase that would raise taxes in San Diego County with little accountability or transparency and no clear plan to improve our quality of life.

Reject Measure A. Vote NO on a 40-year tax increase that gambles with the health of our children and grandchildren. The American Lung Association gave San Diego County an “F” in the 2016 State of the Air report. Measure A does not offer real solutions to solve our dangerous air pollution problems.

Reject Measure A. Vote NO on bureaucrats getting a blank check with little accountability or transparency.

Reject Measure A. Vote NO on a 40-year tax increase with no guaranteed solutions to address climate change or reduce traffic congestion in our region.

Reject Measure A. Vote NO on a flawed Measure that raises taxes for 40 years, yet does not do nearly enough to improve water quality and clean up the pollution harming our creeks and coastal waters.

Reject Measure A. Vote NO on Measure A with nurses, teachers, the Sierra Club, the National City Chamber of Commerce and working families.

Reject Measure A. Our communities deserve better, our children deserve better, our taxpayers deserve better.

Measure A is dangerous, reckless, and does more harm than good.

Don't be fooled.

VOTE NO ON MEASURE A.

Oppose Measure A. Get the facts about this deceptive measure at StopMeasureA.org.

REBUTTAL TO ARGUMENT AGAINST MEASURE A

The opponents just don't get it.

Measure A repairs roads/relieves congestion while improving water quality

REPAIR ROADS, BRIDGES & OVERPASSES. FILL POTHoles IN EVERY COMMUNITY.

Deteriorating roads cost San Diegans \$1858/year.

Wear/tear \$722. Lost time/wasted fuel \$887. Accidents/insurance \$247. (CBS)

- FATAL ACCIDENTS: Poor roads responsible for 1/3 of traffic fatalities. (KNSD7/39)
- UNSAFE ROADS: 67% local roads rated poor/mediocre. (KPBS)

Local Nurses, Paramedics/Emergency Room Doctors: Measure A gets first responders to accidents/natural disasters quicker to save lives.

IMPROVE WATER QUALITY

Measure A will clean up millions of gallons of toxic roadway runoff.

In 2015, polluted runoff was a major cause in 762 Beach Advisories. (U-T San Diego)

Measure A preserves 25,000 acres of open space/wetlands, protecting rivers/streams.

Former County Water Authority Chair Mike Madigan: "Measure A is needed to protect San Diego's water quality."

REDUCE TRAFFIC CONGESTION & AUTO EMISSIONS

Measure A spends millions to relieve traffic congestion, reduce idling, synchronize traffic signals, and build bus/trolley lines to move people out of cars.

JOBS – JOBS – JOBS

TENS OF THOUSANDS OF JOBS: \$40+ billion annual San Diego imports/exports. Infrastructure investments guarantee these jobs remain here.

PREVENT WILDFIRES

Fire Chiefs/ Fire Fighters: Measure A funds aggressive brush management to prevent wildfires and repairs back country roads to improve emergency access/evacuation.

ACCOUNTABILITY/TRANSPARENCY

- Independent Annual Audits.
- Citizens Oversight Committee.
- **Funding Sacramento Cannot Take Away!**

San Diego County Taxpayers Association: Strict accountability/oversight are built in.

YES on Measure A

Repair San Diego with Funding Sacramento CANNOT Take Away.

COUNTY OF SAN DIEGO

(This Measure will appear on the ballot in the following form.)

MEASURE B

ORDINANCE AMENDING THE COUNTY GENERAL PLAN, COUNTY ZONING MAP AND COUNTY CODE, AND ADOPTING THE LILAC HILLS RANCH SPECIFIC PLAN

Shall this Initiative be adopted for the purpose of amending the County General Plan, Zoning Ordinance and Code of Regulatory Ordinances and approving the Lilac Hills Ranch Specific Plan ("Plan")? The Plan provides for the development of a 608-acre master-planned community including 1,746 dwelling units, three commercial centers, a public park, 10 private parks and 16 miles of trails. The project site is generally located north of Escondido and east of I-15 in the unincorporated area of North San Diego County.

This measure requires approval by a simple majority (over 50%) of the voters voting on the measure.

COUNTY COUNSEL IMPARTIAL ANALYSIS

This measure would amend the County General Plan, Zoning Ordinance and Code of Regulatory Ordinances and adopt the Lilac Hills Ranch Specific Plan for the development of a 608-acre master-planned community ("the project") located east of I-15, south and west of West Lilac Road, north of Mountain Ridge Road and west of Covey Lane in the unincorporated area of North San Diego County. Much of the project site is currently used for agricultural operations, and the surrounding area has low-density residential and agricultural uses. Under the current General Plan designation, up to 110 homes could be developed on the project site; no commercial uses are allowed. The measure is exempt from the normal environmental review process.

The measure allows development of a new community including 1,746 dwelling units (903 single-family detached units, 164 single-family attached units, 211 mixed-use units, 468 single-family detached senior citizen units), and three commercial mixed-use centers totaling 90,000 square feet of space.

This measure would require amendments to the County General Plan including: (a) changing the project site's land use designation from semi-rural to village; (b) exempting the project from the leapfrog development restrictions; (c) exempting the project from policies to protect agriculture and to maintain the existing rural life style; (d) exempting the project from the usual methodology for determining the maximum amount of time allowed for the fire agency to get to the project site and applying a separate methodology for the project.

The measure requires the project to include 25.6 acres of parks, including a 13.5-acre public park, 10 private parks, and 16 miles of trails. Approximately 104.1 acres would be preserved on site as biological open space, 23.8 acres of which would be in active agriculture.

This measure states its intent to provide a sustainable community that will introduce a variety of housing types across a range of affordability levels and create employment, retail and service opportunities in San Diego County.

COUNTY COUNSEL IMPARTIAL ANALYSIS (CONTINUED)

The measure further states its intent to require all necessary public facilities and services to meet the needs of the community. The measure requires recreational facilities, a potential school site, an internal private road system, storm drain system, underground utilities, water lines, a site for a water reclamation facility and related distribution system, detention basins and wet weather storage ponds. It would also amend County Ordinances to apply the standards included in the project for improving public and private roads if those standards conflict with the usual County standards.

The measure incorporates design features and policies based on the National Green Building Standards.

The measure may be amended by a majority vote of the Board of Supervisors, based on a proposal submitted by the Lilac Hills Ranch applicant or the County, or a vote of the people.

The measure was placed on the ballot by a petition signed by the requisite number of voters.

"Yes" is a vote to adopt this measure.

"No" is a vote to deny this measure.

The above statement is an impartial analysis of Measure B. A copy of the measure is also available for viewing at the Registrar of Voters website at www.sdvote.com/en/measure-b.pdf. If you desire a copy of the measure, please call the Registrar of Voter's office at 858-505-7260 and a copy will be mailed at no cost to you. (NOTE: Web address is in all lower case letters.)

ARGUMENT IN FAVOR OF MEASURE B

San Diego County faces a critical housing shortage, resulting in higher housing costs and pressure to build more homes in existing communities.

Measure B authorizes development of Lilac Hills Ranch, a pedestrian-oriented village in North County that includes housing priced to start at \$300,000 – within reach of most working families and first-time home buyers – to address the County's housing crisis and reduce development pressures near your neighborhood.

SANDAG calculated Lilac Hills Ranch reduces local traffic by giving existing residents nearby shopping, parks and a school, eliminating lengthy trips now required for these services. It also provides an alternative to lengthy commutes to San Diego employment centers from housing in southern Riverside County.

- Measure B requires strict energy and water-efficient green building standards and a water reclamation facility that will reduce water consumption of the completed project compared to current use of the property.
- Measure B requires the developer to provide a 13.5-acre public park and ten neighborhood parks, 23.8 acres of agriculture, 20.3 acres of open space with 18.3 acres maintained as orchards, preservation of 104 acres of biological open space, creation of 6 acres of wetland habitat, and a 16-mile trail network connected to County regional trails.
- Measure B requires the developer – not the taxpayers – to pay for these facilities.

In addition, the developer is required to pay for a K-8 school to serve the project and nearby residents.

Lilac Hills Ranch conforms to the vision and guiding principles of the County's General Plan, complies with fire safety standards of the local Fire Protection District, and significantly improves existing roads near the project.

Lilac Hills Ranch was thoroughly reviewed for over three years by the County's Planning Department, including two comprehensive Environmental Impact Reports.

**Housing advocates, local residents, business leaders and taxpayers urge you to vote
Yes on Measure B.**

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE B

Measure B is an end-run around environmental and safety laws designed to protect all San Diegans. Lilac Hills Ranch is inconsistent with the County General Plan. The County Board of Supervisors has not voted to approve the Project. The County's own analysis of Measure B shows it is bad for the region.

Measure B Will Worsen Regional Traffic

- Lilac Hills Ranch will add more than 19,000 daily car trips to local roads and highways.
- Taxpayers may foot the bill for any remaining traffic problems caused by this project. Needed improvements may cost taxpayers more than \$1.005 billion.

Measure B Won't Increase Affordable Housing Supplies

San Diego County has an affordable housing shortage.

- Nothing in Measure B requires affordable housing at Lilac Hills Ranch.
- According to the developer, Lilac Hills single family detached homes will start at more than \$500,000.
- Lilac Hills residents will face HOA as well as Mello-Roos fees for essential services, further driving up home costs.
- **Measure B will not reduce the cost of housing in the county.**

Measure B Adds to Taxpayer Burden

- Measure B allows a developer to skirt county requirements to provide water, sewer, fire, and road improvements for more than 1,700 new homes on land that is zoned to support 110 homes.
- The project increases fire and safety risks.
- Taxpayers will be forced to make up for the shortfall in the developer's investment in public services.

Measure B is a bad deal for San Diegans.

ARGUMENT AGAINST MEASURE B

VOTE NO ON MEASURE B.

Measure B is a developer attempt to build 1,746 houses and 90,000 square feet of retail space in a critical agricultural area where only 110 homes and no retail uses are allowed by law (a 1,487% density increase). An impartial County report demonstrates that Measure B exempts crucial fire safety and road improvements. Instead of keeping residents and their children safe, Measure B may require county taxpayers to pay for the improvements. The facts in the County report show that:

1. MEASURE B won't meet the required 5-minute fire and emergency response time to protect the public and save lives. And, the developer chose not to construct an essential new fire station.
2. MEASURE B will create 19,428 car trips daily. And, MEASURE B doesn't pay for all improvements to freeways or county roads. It will take far more than the developer's proposed \$5 million to fix the shortfall. It also removes critical road and intersection improvements the County required, creating unsafe road conditions for which county taxpayers will be liable.

MEASURE B will exacerbate urban sprawl, which is inconsistent with the County General Plan.

MEASURE B supporters claim it would provide affordable housing for low income families and veterans. **NOT ONE WORD OF MEASURE B MENTIONS AFFORDABLE HOUSING. If Measure B is approved, there is no enforceable requirement to provide affordable housing.**

MEASURE B is a deceptive sweetheart deal for the developer at the expense of all San Diego County residents.

Don't be fooled.

VOTE NO ON MEASURE B.

REBUTTAL TO ARGUMENT AGAINST MEASURE B

A small group of NIMBYs (Not In My Back Yard) seeks to block this environmentally-friendly way to address our County's worsening housing crisis.

Sitting in their million dollar homes, opponents couldn't care less if you, your children or grandchildren can't afford to stay in San Diego County to raise a family.

Opponents misrepresent and distort the facts about one of the best-designed master-planned communities in our County's history. Here are the facts:

- Lilac Hills Ranch is adjacent to a 24/7-staffed fire station. Its fire safety plan was approved by the local fire protection district. It will be one of the most fire safe projects in the County.
- Measure B will result in reduced traffic on area roads, providing nearby commercial and other services which now require lengthy car trips. It requires the developer to pay for over \$14 million in fees and upgrades to area roads. Additionally, the developer made a legally binding \$2 million commitment for additional upgrades so area roads will be safer than they are now.
- The developer made a legally binding commitment to the local school district to provide a turnkey K-8 school to serve project residents and neighboring families.
- Measure B is consistent with the vision and goals of the County General Plan to provide sustainable, pedestrian-friendly villages near major transportation corridors to meet the region's housing needs.

Please don't be misled by opponents. Measure B is a well-planned, environmentally-friendly way to help address our region's housing crisis.

BONSALL UNIFIED SCHOOL DISTRICT

(This Measure will appear on the ballot in the following form.)

MEASURE DD

To construct and equip a new high school; install emergency communication systems; reduce traffic hazards for increased student safety; upgrade power/electrical systems; provide health/fitness facilities for student/community use; repair leaky pipes/deteriorating roofs; and replace temporary buildings with permanent classrooms; shall Bonsall Unified School District issue \$58 million of bonds with interest rates below legal limits, independent citizen oversight, and all funds spent locally and not taken by the State and spent elsewhere?

Bonds – Yes

Bonds – No

This measure requires approval by 55% of the voters voting on the measure. Full text of this measure follows the arguments and rebuttals.

COUNTY COUNSEL IMPARTIAL ANALYSIS

This measure was placed on the ballot by the governing board of the Bonsall Union School District (“District”). This measure, if approved by 55% of the votes cast on the measure, will authorize the District to issue and sell \$58,000,000 in general obligation bonds. The sale of these bonds by the District is for the purpose of raising money for the District, and represents a debt of the District. In exchange for the money received from the bond holders, the District promises to pay the holders an amount of interest for a certain period of time, and to repay the bonds on the expiration date.

Voter approval of this measure will also authorize an annual tax to be levied upon the taxable property within the District. The purpose of this tax is to generate sufficient revenue to pay interest on the bonds as it becomes due and to provide a fund for payment of the principal on or before maturity.

Proceeds from the sale of bonds authorized by this measure may be used by the District for the construction, reconstruction, rehabilitation or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities.

The interest rate on any bond, which is established at the time of bond issuance, could not exceed 12% per annum. The final maturity date of any bond could be no later than 40 years after the date the bonds are issued as determined by the District.

The tax authorized by this measure is consistent with the requirements of the California Constitution. The California Constitution permits property taxes, above the standard one percent (1%) limitation, to be levied upon real property to pay the interest and redemption charges on any bonded indebtedness for, among other things, the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, when approved by 55% of the voters if:

COUNTY COUNSEL IMPARTIAL ANALYSIS (Continued)

- (1) the proceeds from the sale of the bonds are used only for the purposes specified,
- (2) the District, by evaluating safety, class size reduction, and information technology needs, has approved a list of specific projects to be funded,
- (3) the District will conduct an annual, independent performance audit, and
- (4) the District will conduct an annual, independent financial audit.

If a bond measure is approved, state law requires the District to establish an independent citizens' oversight committee. The District has made this ballot measure subject to these requirements.

Approval of this measure does not guarantee that the proposed projects in the District that are the subject of these bonds will be funded beyond the local revenues generated by this measure.

A "YES" vote is a vote in favor of authorizing the District to issue and sell \$58,000,000 in general obligation bonds.

A "NO" vote is a vote against authorizing the District to issue and sell \$58,000,000 in general obligation bonds.

TAX RATE STATEMENT

An election will be held in Bonsall Unified School District (the "District") on November 8, 2016 to authorize the sale of \$58,000,000 in general obligation bonds. The following information is submitted in compliance with Sections 9400-9404 of the California Elections Code.

1. The best estimate of the tax rate that would be required to fund this bond issue during the first fiscal year after the sale of the first series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$0.06000 per \$100 (\$60.00 per \$100,000) of assessed valuation in fiscal year 2017-18.
2. The best estimate of the tax rate that would be required to fund this bond issue during the first fiscal year after the sale of the last series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$0.06000 per \$100 (\$60.00 per \$100,000) of assessed valuation in fiscal year 2021-22.
3. The best estimate of the highest tax rate that would be required to fund this bond issue, based on estimated assessed valuations available at the time of filing this statement, is \$0.06000 per \$100 (\$60.00 per \$100,000) of assessed valuation. The highest tax rate is expected to be in effect in fiscal years 2017-18 through 2041-42.
4. The best estimate of the average tax rate required to fund this bond issue, based on a projection of assessed valuations available at the time of filing of this statement, is \$.05693 per \$100 (\$56.93 per \$100,000) of assessed valuation.
5. The best estimate of the total debt service, including principal and interest that would be required to be repaid if all the bonds are issued and sold is \$105,752,000.

These estimates are based on projections derived from information obtained from official sources. The actual tax rates and the years in which they will apply may vary depending on the timing of bond sales, the amount of bonds sold at each sale and actual increases in assessed valuations. The timing of the bond sales and the amount of bonds sold at any given time will be determined by the needs of the District. Actual assessed valuations will depend upon the amount and value of taxable property within the District.

Bonsall Unified School District

ARGUMENT IN FAVOR OF MEASURE DD

Vote YES on Measure DD!

Your YES Vote on Measure DD will protect, build, and repair our community's most valuable assets – our children's public schools – while at the same time guaranteeing significant taxpayer protections.

Measure DD will improve our schools by:

- Building a state-of-the-art Bonsall High School, including a Career Volunteer Center and other community use projects
- Improving safety and security for our children, many of whose families have military ties
- Updating emergency communication systems and fire alarms
- Improving school parking, traffic flow, and disabled access.
- Developing fitness facilities for joint use by schools and community

Measure DD will protect taxpayers by:

- **Making** our local school projects eligible for State matching funds
- **Requiring** independent citizen oversight and annual audits to ensure funds are spent as promised
- **Prohibiting** funds from going to administrators' salaries, pensions or benefits
- **Imposing** tough legal restrictions requiring all monies to be spent on our local schools
- **Prohibiting** the state from taking local bond funds and spending it in other districts

Vote **YES** to improve security and safety at our school sites.

Vote **YES** to ensure our schools continue to offer students the outstanding education they need to compete in the modern world.

Vote **YES** to retain and attract high-quality educators. And Vote **YES** to provide the quality schools that improve property values.

Vote **YES** to help Bonsall Unified School District achieve their goals of academic excellence and support for all students to be highly competitive in their chosen career path and/or college.

To build better, safer schools, improve student achievement, save taxpayer dollars with historically low interest rates, and turn community use possibilities into realities, please join business leaders, teachers, parents, grandparents and neighbors in voting **YES on Measure DD**.

San Diego County Taxpayers Association

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE DD

Measure DD's tax increase is unfair to seniors and fixed income property owners. Growers can't afford this \$105 million debt.

A \$500,000 property can expect \$300 more taxes per year for decades if Measure DD passes. Worse the estimated high of \$60 per \$100,000 is not guaranteed.

How many extra taxes already on your bill? Can you afford another? Landlords will raise rents!

Bonsall Unified School District isn't in Fallbrook Union High School District anymore but properties in Bonsall are still paying taxes for Fallbrook bonds. Why? This separation and doubling of administration costs was a waste! Surprised there's not enough money for classrooms?

Bonsall tax bills also include these extra charges:

Metropolitan Water District
Palomar Community College District, 2006 bond
Bonsall Unified School District, 2005 bond
Palomar Pomerado Healthcare District, 2005 bond

Why another Bonsall bond so soon? How can District claim leaky roofs, rusty pipes or unsafe conditions? Where was proper maintenance? Was prior bond money wasted on pools, AstroTurf, bleachers or theaters instead of classrooms and student safety?

Measure DD is endorsed by San Diego County Taxpayers Association. They're putting lipstick on this pig. Don't be fooled. Many of their directors / officers profit directly / indirectly from school bonds. Should be called San Diego County "TAXTAKERS" Association.

Is SDCTA looking out for you or themselves? They endorsed Poway 's \$105m bond that's now costing those taxpayers nearly \$1 billion. Why? They profit! Google: San Diego County Taxpayers Association Gonsalves Cozy.

Promised Citizens' Bond Oversight Committee = toothless tiger. Measure DD lacks specific prioritized project list with estimated costs so Citizens' Bond Oversight Committee can measure accountability.

Vote NO until these problems are fixed.

www.CalTAN.org

M. KEVIN O'NEILL, President
California Taxpayers Action Network

ARGUMENT AGAINST MEASURE DD

Don't be a victim of The School Bond Scam! (www.schoolbondscam.org)

News articles and campaign finance disclosures show Wall Streeters, contractors and consultants pay money to pass school bonds for their immediate profit leaving each taxpayer with decades of additional debt. **Google:** "Local School Bonds: Big Donors Win Big Contracts" OR Orange County Register's "Bankers Push School Bonds for C.A.S.H."

The School Bond Scammers gladly pay to pass bonds anticipating school boards will reward them with inflated no bid contracts in return. **Google:** Sweetwater school pay to play OR Fresno Leaseback FBI Arax.

Voice of San Diego's August 6, 2012 investigative report revealed Poway School District's "Capital Appreciation Bonds" put their taxpayers on the hook to pay back about \$1 billion for their \$105 million bond. **Google:** "Thanks a Billion"

California Taxpayers Action Network (www.caltan.org) is not against all school bonds and has supported those (i.e. Walnut Valley Unified School District) that contain proper internal controls to prevent waste and encourage good value for taxpayers.

This bond does not include such taxpayer protections. Contracts can be handed to favored contractors and consultants without regard to price!

Worse, this bond lacks a prioritized Project List with estimated project costs for each and a commitment to build the proposed projects in the promised prioritized order. This bond allows pet projects to be built instead of necessary ones.

Why does District need another bond so soon after their last one? Did they handout over priced contracts and put in astroturf fields with the last bond instead of making needed classroom repairs?

Vote NO until they propose a better bond next election.

California Taxpayers Action Network is a San Diego based all-volunteer, statewide network of taxpayer advocates who promote sound fiscal policies, practices and business methods by government entities for the public's benefit and protection.

M. KEVIN O'NEILL
President,
California Taxpayers Action Network

REBUTTAL TO ARGUMENT AGAINST MEASURE DD

The writer of the argument against Measure DD doesn't live anywhere near our community and filed identical arguments against many other school bonds throughout the county, ignoring the facts regarding our local schools.

- Contrary to the opponent's claims, Measure DD isn't a capital appreciation bond, like Poway's, nor does Bonsall have any athletic fields with astro turf.
- Measure DD projects are critical to our community. The school district has carefully evaluated student safety, the deterioration of school facilities and the technology needs of our schools.
- Measure DD funds are subject to audit and oversight by an independent citizens' committee. Funds cannot be used for administrator salaries, benefits or pensions.
- Measure DD will save Bonsall taxpayers millions of dollars by locking in today's low interest rates.
- Measure DD will continue improving our local schools, increase home values and create new construction jobs that will boost our local economy.
- Measure DD will qualify the Bonsall Unified School District for state matching funds. The most economical way to improve our schools is to share the cost with the state. If we do not take advantage of this opportunity, we will be forfeiting our fair share to other California school districts.

By approving Measure DD, you can bring jobs, attract state funding, create better places to learn, continue the job of improving our local schools and ensure that we get the best deal possible at the lowest price.

The choice is clear. Vote YES on Measure DD!

FULL TEXT OF MEASURE DD

The following is the full proposition presented to the voters by the Bonsall Unified School District.

"To construct and equip a new high school; install emergency communication systems; reduce traffic hazards for increased student safety; upgrade power/electrical systems; provide health/fitness facilities for student/community use; repair leaky pipes/deteriorating roofs; and replace temporary buildings with permanent classrooms; shall Bonsall Unified School District issue \$58 million of bonds with interest rates below legal limits, independent citizen oversight, and all funds spent locally and not taken by the State and spent elsewhere?"

PROJECT LIST

The Board of Trustees of the Bonsall Unified School District is committed to increasing property values and maintaining the quality of education in local schools with safe, secure, upgraded classrooms and labs for career and technology education to keep pace with 21st century technologies and learning standards. To that end, the Board evaluated the District's urgent and critical facility needs, including safety issues, class size, computer and information technology, and enrollment trends, in developing the scope of projects to be funded. The District conducted a facilities evaluation and received public input in developing this Project List. Teachers, staff, community members and the Board have prioritized **the construction, repair and maintenance of schools** so that student safety is ensured, quality education is provided and property values increase. Therefore, in approving this Project List, the **Board of Trustees determines that the District must:**

- (i) **Construct new classrooms, facilities and school buildings to provide education to the District's growing student population and increase property values; and**
- (ii) **Upgrade or replace existing classrooms, science labs and school buildings which support core academics that are worn out or do not meet current safety codes; and**
- (iii) **Adapt classrooms for more hands-on science, mathematics and modern instruction; and**
- (vi) **ADHERE TO SPECIFIC FISCAL ACCOUNTABILITY SAFEGUARDS SUCH AS:**
 - (a) **An independent citizens' oversight committee must be appointed to ensure that all funds are spent only as authorized.**
 - (b) **All expenditures must be subject to annual independent financial audits.**
 - (c) **No funds can be used for administrators' salaries and pensions.**
 - (d) **All funds must be locally controlled, go to our local schools and cannot be taken by the State.**

FULL TEXT OF MEASURE DD (CONTINUED)

The Project List includes the following types of upgrades and improvements at District schools and sites:

Joint Use. The District may enter into agreements with the County of San Diego, or other public agencies or nonprofit organizations, for joint use of school facilities financed, at least in part, with the proceeds of the bonds. The District may seek State grant funds for eligible joint-use projects as permitted by law, and this proposition hereby specifies and acknowledges that bond funds will or may be used to fund all or a portion of the local share for any eligible joint-use projects identified in the Project List.

Scope of Projects. Projects which are described below include all related and incidental costs, including their share of the costs of the election and bond issuance and costs of design, engineering, architect and other professional services, inspections, site preparation, utilities, and other planning, legal, accounting and similar costs, independent annual financial and performance audits, a customary contingency, and other costs incidental to and necessary for completion of the listed projects.

The scope and nature of any of the specific projects described below may be altered by the District as required by unforeseen conditions that may arise during the course of design and construction. In the event that a modernization or renovation project will result in higher costs than relocation and construction, this bond measure authorizes relocation and reconstruction, and all costs relating thereto, for said reasons or based on other considerations deemed in the best interest of the District by the Board of Trustees.

Approval of the District's bond measure does not guarantee that all of the identified projects within this Project List will be funded beyond what can be completed with local funds generated by the bond measure. The District plans to pursue funds from the State of California, if available, to complete certain of the identified facilities projects.

Bond proceeds may also be expended to acquire equipment in any classroom or other educational facility within the District. The District may alter the scope and nature of any of the specific projects that are described below as required by conditions that arise over time.

Whenever specific items are included in the following list, they are presented to provide examples and are not intended to limit the generality of the broader description of authorized projects. The order in which particular projects are listed is not intended to indicate priority for funding or completion.

NEW HIGH SCHOOL

Proceeds of the Bonds will be used to construct and equip a new high school including but not limited to:

- Classrooms for student learning including English, Math, History/Civics, and Science
- Career Technical Education classrooms
- Library/technology labs
- Gymnasium, playfields, and physical education facilities and a fitness center for student and community use
- Cafeteria
- Multi-purpose room
- Reception/Administration areas

FULL TEXT OF MEASURE DD (CONTINUED)

UPGRADE AND MAJOR REPAIR OF EXISTING FACILITIES

Proceeds of the Bonds will be used to repair, renovate and equip schools and facilities (as listed below) throughout the District. The exact size, configuration and location of each project will be determined by the Board of Trustees based on the needs of the District.

District facilities include:

Bonsall Elementary School
Bonsall West Elementary School
Sullivan Middle School
Vivian Banks Charter School

Repairs, renovations, constructions and equipment acquisitions shall include but not be limited to:

- Repair, construct, and renovate multi-purpose rooms
- Upgrade power and electrical systems to accommodate 21st century technology systems
- Repair and upgrade fire alarm systems as necessary to meet current and new standards
- Renovate and replace aging school facilities
- Renovate and repair grounds including concrete, asphalt, and landscaping
- Install video surveillance, notification and control systems for increased safety
- Install electronic locksets
- Install fencing for increased security
- Landscaping for shade as needed
- Improvements to track and field facilities
- Improvements to traffic and parking for increased student safety
- Install energy efficiency upgrades to schools and district facilities

* * *

The listed projects will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs, program/project management, staff training expenses and a customary contingency for unforeseen design and construction costs. In addition to the listed projects stated above, the Project List also includes the acquisition of a variety of instructional, maintenance and operational equipment; upgrade or install signage, clocks and fencing; payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary housing of dislocated District activities caused by construction projects. In addition to the projects listed above, the repair and renovation of each of the existing school facilities may include, but not be limited to, some or all of the following: renovate student and staff restrooms; repair and replace heating and ventilation systems; upgrade of facilities for energy efficiencies; repair and replace worn-out and deteriorated roofs, windows, walls, doors and drinking fountains; install wiring and electrical systems to safely accommodate computers, technology and other electrical devices and needs; upgrade or construct support facilities, including administrative, physical education; repair and replace fire alarms, emergency communications and security systems; resurface or replace hard courts, turf, irrigation and drainage systems and campus landscaping; expand parking and drop-off areas; interior and exterior painting, floor covering and tile replacement; demolition; construct various forms of storage and support spaces and classrooms; repair, upgrade and install interior and exterior lighting systems; improve shade structures, and athletic fields; replace outdated security fences, gates and security systems (including access control systems); provide outdoor seating.

FULL TEXT OF MEASURE DD (CONTINUED)

The upgrading of technology infrastructure includes, but is not limited to, servers, switches, routers, modules, sound projection systems, call manager and network security/firewall, wireless technology systems, and other miscellaneous equipment. The allocation of bond proceeds may be affected by the District's receipt of State matching funds and the final costs of each project. The budget for each project is an estimate and may be affected by factors beyond the District's control. Some projects throughout the District may be undertaken as joint use projects in cooperation with other local public or non-profit agencies. The final cost of each project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Demolition of existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating more enhanced and operationally efficient campuses. Necessary site preparation/restoration may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing, or installing irrigation, utility lines, trees and landscaping, relocating fire access roads, and acquiring any necessary easements, licenses, or rights of way to the property. Bond proceeds shall only be expended for the specific purposes identified herein. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

FISCAL ACCOUNTABILITY: IN ACCORDANCE WITH EDUCATION CODE SECTION 15272, THE BOARD OF TRUSTEES WILL APPOINT A CITIZENS' OVERSIGHT COMMITTEE AND CONDUCT ANNUAL INDEPENDENT AUDITS TO ASSURE THAT FUNDS ARE SPENT ONLY ON DISTRICT PROJECTS AND FOR NO OTHER PURPOSE. THE EXPENDITURE OF BOND MONEY ON THESE PROJECTS IS SUBJECT TO STRINGENT FINANCIAL ACCOUNTABILITY REQUIREMENTS. BY LAW, PERFORMANCE AND FINANCIAL AUDITS WILL BE PERFORMED ANNUALLY, AND ALL BOND EXPENDITURES WILL BE MONITORED BY AN INDEPENDENT CITIZENS' OVERSIGHT COMMITTEE TO ENSURE THAT FUNDS ARE SPENT AS PROMISED AND SPECIFIED. THE CITIZENS' OVERSIGHT COMMITTEE MUST INCLUDE, AMONG OTHERS, REPRESENTATION OF A BONA FIDE TAXPAYERS ASSOCIATION, A BUSINESS ORGANIZATION AND A SENIOR CITIZENS ORGANIZATION. NO DISTRICT EMPLOYEES OR VENDORS ARE ALLOWED TO SERVE ON THE CITIZENS' OVERSIGHT COMMITTEE.

NO ADMINISTRATOR SALARIES: PROCEEDS FROM THE SALE OF THE BONDS AUTHORIZED BY THIS PROPOSITION SHALL BE USED ONLY FOR THE ACQUISITION, CONSTRUCTION, RECONSTRUCTION, REHABILITATION, OR REPLACEMENT OF SCHOOL FACILITIES, INCLUDING THE FURNISHING AND EQUIPPING OF SCHOOL FACILITIES, AND NOT FOR ANY OTHER PURPOSE, INCLUDING TEACHER AND SCHOOL ADMINISTRATOR SALARIES AND OTHER OPERATING EXPENSES.

San Diego County Department of Animal Services

SPIRIT FUND

Spirit Fund
VETERINARY MEDICAL FUND

The Spirit Fund was created in July 2008 when a badly beaten puppy was left barely alive at the U.S. border.

Spirit's plight captured the heart of the nation and donations poured in to the San Diego County Department of Animal Services from across the country.

Those donations made it more than possible to repair Spirit's injuries and place her in a forever home.

If you would like to provide a tax deductible donation to the Spirit Fund to help care for other animals with special medical needs, please go to:
