

Argument in Favor of Measure EE

Vote Yes on EE: relieve Bonsall student overcrowding. Keep students safe and give them tools to compete for success in college and careers.

Currently, Bonsall High School is crammed alongside our middle school, creating significant safety concerns. As current Bonsall elementary school kids reach middle and high school, overcrowding will get worse.

During the Lilac Fire, all students could not be quickly and safely evacuated. We can't risk another fire with potentially worse results.

In addition to safety concerns, crowded schools limit students' academic instruction.

Bonsall students need classrooms, labs and technology to gain modern skills in science, technology, engineering, arts and math — key subjects needed to compete for success in college and today's competitive job market.

Our current high school lacks enough science labs and classrooms to ensure local students can acquire needed skills.

It's time to move Bonsall High School to a safe location with enough room for a robust 21st-century education.

Vote Yes on EE:

- Reduce school overcrowding by building a high school campus
- Improve safety and security at all schools
- Ensure all students have equal access to key subjects like science, technology, engineering, arts and math
- Provide strong academic foundations to prepare students for success in college and the competitive job market

A Smart, Fiscally Responsible Plan

- By law, every penny must stay local to benefit our schools
- A detailed, scaled-back project list is included
- The state and federal government cannot take this funding
- Funds cannot be used for administrators' salaries or benefits
- Mandatory, independent citizens' oversight and annual audits are included

Strong schools make for a strong community. Measure EE is a wise investment in our students and community, keeping property values strong.

Please join our growing grassroots campaign! Vote Yes on EE.

ARGUMENT/REBUTTAL SIGNATURES

(The following statement is required by California Elections Code Section 9600.)

The undersigned authors of the Direct argument In favor of ballot measure EE
 at the General election for the Bonsall Unified School District to be held on Nov. 6, 2018 hereby state
 that such argument is true and correct to the best of his knowledge and belief.
