

# The CHOICE IS CLEAR...

## VOTE NO on MEASURE EE

- ✓ Actual cost of Measure EE is 78 million for 30 years, says San Diego County Taxpayers Association. Final project cost is unknown.
- ✓ Don't be fooled--EE is ONLY the first of THREE BONDS necessary to finish the project.
- ✓ BUSD uses inflated student projections to justify measure EE.
- ✓ Less than 50% of BUSD 8th graders choose to attend Bonsall High School.
- ✓ 2016 DD and similar bonds rejected by voters 5 times. Nothing has changed.
- ✓ BUSD is in the red--they cannot afford to operate and maintain another campus.

**NOT Needed & NOT Affordable!**

**VOTE NO on EE**
