This email is to document the events which took place tonight on and near my property at [REDACTED] Lakemont Dr Fallbrook, CA 92028.

At approximately 10pm, my wife [REDACTED] and her friend noticed 20 cars headed to a property near our house which is frequented by renters at 2808 Lakemont Dr. At 10:30pm the noise coming from the house was very loud, there was screaming and shouting which became hard to ignore. When I checked again there were 20 additional cars circling the neighborhood. At this point I called the sheriff's office at 11:18pm to which they reported another neighbor had already called but they were short staffed and couldn't get there right away. It appeared to be a party of nearly 100 individuals walking by our house to get to this gathering at 2808 Lakemont Dr, many of the people we witnessed appeared to be underage adults carrying and consuming Alcohol.

My wife and her friend staying with us then walked outside and saw 5 or so people walking by our house towards the gathering. One of those people threatened my wife and her friend stating he had a gun and would shoot them. We all went inside of the house at that point and I called the sheriff's office again.

It appeared the gathering was broken up by 1am.

This is the climax of an ongoing saga spanning the 3 years my wife and I have resided in this house and witnessed the property at 2808 Lakemont Dr being used for parties which have escalated into massive gatherings, with no regard for safety, noise, or the well being of those in the neighborhood.

We are available to discuss this matter as needed.
